FACTS AND CHRONOLOGY

5. MedStar and Warren entered into a Professional Services Agreement on or about January 1, 2015, for a term of two years through and until December 31, 2017, for MedStar to be the exclusive provider to the City of Warren for emergency ambulance and medical services (the “2015 Agreement”). A copy of the 2015 Agreement is attached hereto as Exhibit 1.

6. MedStar and Warren entered into a Professional Services Agreement, effective November 1, 2016, for a one year term through and until October 31, 2017, for MedStar to be the exclusive provider to the City of Warren for emergency ambulance and medical services (the “2017 Agreement”). A copy of the 2017 Agreement is attached hereto as Exhibit 2.

7. MedStar and Warren entered into a Professional Services Agreement, effective September 1, 2018, and for a term of two years through and until August 31, 2020, for MedStar to be the exclusive provider to the City of Warren for emergency ambulance and medical services (the “2018 Agreement”). A copy of the 2018 Agreement is attached hereto as Exhibit 3.

8. The 2015 Agreement, the 2017 Agreement and the 2018 Agreement may be collectively referred to herein as the “Agreements”.

9. In the Agreements, MedStar is required to provide certain emergency medical services described in “Attachment 1 (Scope of Services).”

10. The Agreements set forth a number of requirements for MedStar in its performance, including the requirements to provide professional liability insurance, comprehensive general liability insurance, automobile liability insurance, workers’ compensation coverage, and including the City of Warren as an additional insured on said policies of insurance. Exhibits 1, 2 and 3, pp. 2-3.

11. The Agreements also set forth a number of other performance requirements required of MedStar: maintain certain records, provide a detailed monthly report, report on response times, etc. *Id.*, pp. 11-12.

12. Attachment 1 – Scope of Services, attached to the Agreements, sets forth the scope of the services under the Agreements and states as follows, in pertinent part:

2. SCOPE OF WORK

* * *

COMPANY shall respond to all E-911 calls as directed including, but not limited to, EMS incidents, fire and hazardous materials incidents, or other incidents as directed by the Warren Fire Department and/or Police Department.

* * *

- B. Calls for service through Warren 9-11 Center when the caller does not specifically request a specific ambulance company. In such case, the E-911 operator shall open a line of communication with the Company and the caller. The City operator may monitor any and all calls for accuracy of information, as well as quality control. The Company shall be responsible to Emergency Medical Dispatch (EMD) the call in accordance with the Trumbull County Medical Director’s protocol. The Company shall determine the level of service in accordance with the medical director protocol and shall promptly provide such service to the citizen(s) in accordance with below stated time frames.
- C. The Company shall agree to respond one (1) ALS ambulance to all reported working structure fires within the

City, once notified of such by Warren E-911 and shall have no less than one (1) ALS ambulance unit stand by at such fires until released by the fire officer in charge.

- D. The CITY shall reserve the right to request from other providers any specialized service that is not available through the contract provider.

11. MUTUAL AID

To fulfill the requirements of the agreement with the CITY, the COMPANY may transfer a call to another local ambulance service or make a request for assistance in accordance with the plan. However, such transfer or request shall not relieve the COMPANY of any of its obligations to the CITY, nor shall the CITY be obligated to pay any fee or assessment for such.

Id., pp. 10, 15.

13. Pursuant to these provisions in the Agreements, MedStar is the exclusive provider of emergency ambulance medical services for the City of Warren, except where a caller designates a provider *or* in the event that the contracted party – here MedStar – does not provide the specialized service required by the caller or the City of Warren.

14. Upon information and belief, MedStar is the only entity with which the City of Warren has entered into a contract to provide emergency ambulance and medical service during the terms of the Agreements.

15. Upon information and belief, the Trumbull County dispatchers who direct E-911 calls are aware that MedStar is the only contracting party with the City of Warren for providing emergency ambulance services and that MedStar is designated the exclusive provider of such services to the City of Warren.

16. The Trumbull County dispatch unit that manages the E-911 calls for emergency ambulance services has no tracking management system and, instead, either randomly assigns calls to ambulance services, or else is intentionally diverting them from MedStar.

17. Upon information and belief, Trumbull County is in possession of and/or is aware of the Agreements and their exclusivity provisions.

18. Despite the knowledge by Trumbull County that MedStar had the Agreements with the City of Warren, it wrongfully diverted emergency ambulance medical service calls from City of Warren callers to other providers – providers who have no contract with the City of Warren and, therefore, have not demonstrated that they meet the insurance requirements, provide data, monthly reports, or the other requirements imposed upon MedStar under the Agreements.

19. Upon information and belief, and despite the exclusive provider terms of the Agreements, for the calls made to the Warren E-911 Center, which center was created by the Trumbull County Commissioners, Trumbull County has misdirected E-911 calls for emergency ambulance service to other providers that do not have a contract to provide any such services with the City of Warren.

20. In an effort to determine whether calls had been misdirected from MedStar to another provider, a MedStar executive met with Eddie Colbert, the City of Warren Public Safety Director, who told MedStar that both the City of Warren and Trumbull County know and knew of the exclusivity provision in the Agreement whereby MedStar is the exclusive provider of such emergency medical and ambulance services.

21. The conduct by the City of Warren and Trumbull County in diverting emergency ambulance medical services to providers without a contract with the City of Warren is jeopardizing the health and safety of people who call dispatch for emergency ambulance and medical services.

22. MedStar's fees for the services to be provided pursuant to the Agreements are paid either directly by the patient/customer or else by the patient's health insurance coverage.

23. Upon information and belief and based on historical records of E-911 calls for emergency ambulance and medical services, the City of Warren and Trumbull County, jointly and in concert, are wrongfully diverting hundreds or thousands of calls per year to other providers that, instead, should have been referred to MedStar as the exclusive provider under the Agreements.

COUNT ONE

BREACH OF CONTRACT

24. MedStar incorporates the preceding paragraphs of the Complaint as if fully alleged and restated herein.

25. MedStar has complied with and fully performed all of its duties and obligations under the Agreements.

26. The City of Warren breached the Agreements by failing to direct all of the emergency ambulance and medical service calls for the residents of the City of Warren to MedStar.

27. The City of Warren's breaches of the Agreements are material and have caused damages to MedStar in an amount to be determined at trial and, in any event, in an amount in excess of \$25,000.

COUNT TWO

TORTIOUS INTERFERENCE WITH CONTRACTUAL RELATIONSHIP

28. MedStar incorporates the preceding paragraphs of the Complaint as if fully alleged and restated herein.

29. Trumbull County had actual or constructive knowledge that the City of Warren had the Agreements with MedStar to be the exclusive provider of emergency ambulance medical services to the City of Warren.

30. Trumbull County, through its dispatch center and dispatchers, intentionally, tortiously and improperly interfered with the Agreements between MedStar and the City of Warren to prevent them from performing pursuant to the Agreements.

31. Trumbull County has no legitimate justification for the procurement to breach the Agreements.

32. MedStar has been damaged by Trumbull County's tortious interference with the Agreements.

33. Because of the tortious interference by Trumbull County, it is liable to MedStar for the damages incurred by MedStar for those emergency ambulance medical service calls that should have been directed to MedStar.

34. The management of EMS services is a government function pursuant to R.C. 2744.01.

35. The tortious and wrongful conduct by Trumbull County offices constitutes intentional, reckless or grossly negligent conduct pursuant to R.C. 2744.02(B)(2).

36. The actions by Trumbull County and its officials in tortiously interfering in the Agreements are not immune from liability as those acts were outside the scope of official responsibility, they were done maliciously, in bad faith, and/or in a wanton or reckless manner.

37. MedStar's damages due to the tortious conduct by Trumbull County are in an amount to be determined at trial and, in any event, in an amount no less than \$25,000.

38. MedStar is also entitled to an award of its attorneys fees for Trumbull County's tortious interference.

DEMAND FOR RELIEF

WHEREFORE, MedStar demands that judgment be entered in its favor and against Defendants in an amount to be determined at trial and, in any event, in excess of \$25,000, and that MedStar be awarded its attorneys fees, costs, expenses, and any other relief, legal or equitable, to which it may be entitled

WHEREAS, CITY desires to obtain professional services for City's ambulance service needs with an ambulance service provider; and

WHEREAS, COMPANY desires to provide such professional services;

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants and promises hereinafter set forth, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the CITY and COMPANY agree as follows:

1. INTENT:

The relationship created by this Agreement is that of client and independent contractor for professional services. Nothing in this Agreement shall be construed to be inconsistent with this relationship. Under no circumstances is COMPANY to be considered an employee of the CITY for any purpose, and COMPANY is not entitled to any of the benefits provided by CITY to its own employees. COMPANY is solely responsible to pay all applicable federal, state and local income and withholding tax obligations or contributions imposed by Social Security, unemployment insurance or workers' compensation insurance in connection with this Agreement on behalf of COMPANY itself or those employees, if any, employed by the COMPANY.

2. SERVICES:

COMPANY shall provide such professional services as are described in Attachment 1 (Scope of Services).

3. INDEMNIFICATIONS AND INSURANCE:

COMPANY hereby agrees to release, indemnify and save harmless CITY, its officers and employees from any and all claims, damages, suits, costs, expense, liability, actions or proceedings of any kind or nature whatsoever, including Workers' Compensation claims (but only to the extent brought by employees of COMPANY against CITY), of or by anyone whomsoever, in any way resulting from or arising out of, directly or indirectly, its negligent performance and/or any and all intentional, willful or wanton performance or acts hereunder, and including such acts and omissions of officers, employees and agents of COMPANY, arising out of the performance of this contract.

The insurance requirements prescribed herein shall not be deemed to in any way limit or define the obligations of COMPANY hereunder. The indemnification provisions prescribed herein shall not be deemed to in any way limit or define the COMPANY'S obligation to provide insurance as required herein or limit or define the CITY'S rights as "additional insured" under the required policy or policies.

COMPANY shall attach certificates of insurance for such policy or policies to this Agreement at the time of signing. The City of Warren Law Director shall review and approve insurance before COMPANY is authorized to commence work under this Agreement. The CITY reserves the right to refuse, prior to the commencement date of services under this Agreement, insurance written by an unacceptable company. The amounts of insurance required are as follows:

A. Professional Liability Insurance

COMPANY shall procure and maintain professional liability insurance for protection of claims arising solely out of performance of professional services caused by negligent acts, errors or omissions for which COMPANY is legally liable; such professional liability insurance will provide for coverage in the amount of two million dollars (\$2,000,000.00).

B. Comprehensive General Liability Insurance

COMPANY shall procure and maintain comprehensive general liability insurance with a single limit of not less than two million dollars (\$2,000,000.00) with five million dollars (\$5,000,000.00) aggregate for both bodily injury and property damage with the City of Warren named as additional insured.

C. Automobile Liability Insurance

COMPANY shall procure and maintain automobile liability insurance covering owned, non-hired and hired vehicles used by COMPANY with a combined single limit of not less than two million dollars (\$2,000,000.00) for any one occurrence involving injury or death to persons or damage to property or both.

D. Workers' Compensation Coverage

COMPANY shall, at all time during the terms of the Agreement, subscribe to and comply with the Workers' Compensation laws of the State of Ohio and pay such premiums as may be required thereunder and save CITY, its officer and agents harmless from any and all liabilities arising from or under such act.

COMPANY shall attach hereto a copy of the official certificate of receipt, evidencing compliance with Workers' Compensation laws of the State of Ohio.

E. Notice of Termination

Each of the foregoing insurance policies shall contain a provision providing for thirty (30) days notice to the City by the insurer in the event that any policy, or portion thereof, is canceled, or the coverage under said policy is reduced, or the policy is not renewed. In addition, in the event that it is notified of requests, or becomes aware of a reduction in insurance coverage, the COMPANY shall immediately notify the CITY in writing of such reduction in coverage. Such reduction may render the COMPANY in breach of contract.

F. City as Additional Insured

COMPANY shall cause the CITY to be named as an additional insured in each of its insurance policies for general comprehensive, automobile liability and professional liability insurance. An "additional insured" shall mean, for the purpose of this Agreement, that the CITY, its officers, agents and employees shall be covered under the policies carried by the COMPANY for general comprehensive, automobile liability and professional liability, in the event that the CITY, its officers, agents or employees are enjoined as a party defendant in a suit or claim in which the COMPANY is allegedly jointly liable. The fact that the CITY has been named as an additional insured shall be evidenced by written notice from the insurer and endorsed on the certificate(s) of insurance.

4. EXPENSES:

Except as may be otherwise indicated by Exhibit A - "Scope of Services", COMPANY shall be responsible for all business expenses incurred under this Agreement and shall furnish all materials, tools, equipment and all other items necessary to perform the services set forth in this Agreement. Except as may be otherwise indicated by Exhibit A - "Scope of Services", no reimbursement will be offered by CITY for any such expenses.

5. FEES / RATES FOR SERVICE:

COMPANY agrees that no charge shall be made or levied upon the CITY for performance of any ambulance services described herein.

6. CONFLICT:

COMPANY covenants that COMPANY has no interest and shall acquire no interest, which would conflict with the performance of services under this Agreement.

7. ASSIGNMENT:

Neither CITY nor COMPANY may assign this Agreement without the written approval of the other, and any attempted assignment without such consent shall be null and void.

Notwithstanding the above, COMPANY may assign or subcontract this Agreement, or any or all of the services required by this Agreement, to any of its subsidiaries or affiliates, which are wholly-owned, operated or controlled by COMPANY.

8. DISCRIMINATION:

COMPANY shall comply with federal, state and local laws, which prohibit discrimination.

9. PERFORMANCE SECURITY:

- A. Amount and Form: COMPANY shall provide to the CITY a performance bond in the total amount of Ten Thousand Dollars (\$10,000.00), to guarantee that COMPANY will faithfully perform under the Agreement and complete the Agreement according to its terms and specifications.
- B. Exercise of Rights: CITY's exercise of its rights under the above-described performance security bond shall be solely conditioned upon CITY's declaration of a Default under this Agreement (as defined below), written notice thereof by CITY to COMPANY, the COMPANY's failure to cure as provided herein, and the early termination of this Agreement by CITY.

10. DEFAULT:

- A. Default Defined: Conditions and circumstances, which shall constitute a Default by the COMPANY, unless waived by CITY, shall include the following:
 - 1. Failure of COMPANY to operate the ambulance service system in a manner which enables COMPANY to remain in substantial compliance with the requirements of applicable federal, state or local laws, rules and regulations;
 - 2. Chronic failure to maintain equipment and facilities in accordance with manufacturer recommended maintenance procedures (or reasonably

- equivalent maintenance procedures adopted by the COMPANY);
3. Chronic failure to meet or exceed the response time standards required hereunder (to the extent described in Section 3 of the Scope of Service);

 8. Any other material failure of performance or failure to comply with the material terms of this Agreement, which is determined by CITY to constitute a significant endangerment to public health and safety.

B. Default; Cure Period and Forfeiture of Performance Security: If CITY declares the COMPANY to be in Default, CITY shall give COMPANY written notice describing with reasonable specificity the nature of the Default. Within ten (10) days of its receipt of such notice, the COMPANY shall deliver to CITY a written plan to cure such Default. The COMPANY shall deliver to CITY an update of its efforts to cure the Default every ten (10) calendar days until such default is completely cured. If COMPANY fails to cure such noticed default within thirty (30) calendar days (or such longer period of time as is approved by CITY) after its receipt of notice of default, CITY may immediately terminate this Agreement

and draw on the performance security as provided in Section 9A hereof, pursuant to the terms and conditions of this Agreement. If this Contract is so terminated by CITY, the COMPANY shall cooperate completely and immediately with CITY to effect a prompt and orderly transfer of all responsibilities to CITY or its designated contractor.

11. FINANCIAL INTEGRITY:

COMPANY insures that it is not in arrears to the CITY upon any debt or contract, and the COMPANY is financially sound, being neither insolvent nor bankrupt.

12. ENTIRE AGREEMENT:

This Agreement, along with the Attachments hereto, supersedes and terminates any prior agreement between the parties and constitutes the entire agreement between the parties. No statement, promise, condition, understanding or representation, oral or written, expressed or implied, which is not contained herein, shall be binding or valid. Any amendments to this Agreement shall be effective only if in writing and signed by both parties. In the event of any inconsistency between the terms of this Agreement and any Attachment hereto, the terms of this Agreement shall govern.

13. SEVERABILITY:

If any portion or portions of this Agreement shall be for any reason invalid or unenforceable, the remaining portion(s) shall be valid and enforceable and carried into effect unless to do so would clearly violate the present legal and valid intention of the parties hereto.

14. FORCE MAJEURE:

COMPANY shall be excused for failures and delays in performance of its respective obligations under this Agreement due to any cause beyond the control and without the fault of COMPANY, including without limitation, any act of God, war, riot or insurrection, law or regulation, strike, flood, fire, explosion or inability due to any of the aforementioned causes to

obtain labor, materials or facilities. Nevertheless, COMPANY shall use its best efforts to avoid or remove such causes and to continue performance whenever such causes are removed, and shall notify the CITY of the problem.

15. NOTICES:

Any notice required or permitted to be given pursuant to any provisions of this Agreement shall be given in writing, and deposited in the United States mail, postage pre-paid, registered or certified mail, return receipt requested, or by a nationally recognized overnight courier service.

16. TERM:

The term of this Agreement shall be retroactive from the 1st day of January, 2015, until the 31st day of December 2015. This Agreement may be renewed for a specified term, by mutual agreement of the parties. Notwithstanding the foregoing, if any legislation, regulation or government policy is passed or adopted, or if these laws, regulations or policies are interpreted in a manner that would materially affect COMPANY's business or the implementation of this Agreement as written, the COMPANY shall provide notice of such law, regulation or policy to CITY and the parties agree to negotiate in good faith within thirty days to modify the terms of this Agreement to comply with the applicable law, regulation or policy. If the parties cannot agree upon the necessary modification, either party may terminate this Agreement on thirty days advance written notice.

WHEREAS, COMPANY desires to provide such professional services;

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants and promises hereinafter set forth, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the CITY and COMPANY agree as follows:

1. INTENT:

The relationship created by this Agreement is that of client and independent contractor for professional services. Nothing in this Agreement shall be construed to be inconsistent with this relationship. Under no circumstances is COMPANY to be considered an employee of the CITY for any purpose, and COMPANY is not entitled to any of the benefits provided by CITY to its own employees. COMPANY is solely responsible to pay all applicable federal, state and local income and withholding tax obligations or contributions imposed by Social Security, unemployment insurance or workers' compensation insurance in connection with this Agreement on behalf of COMPANY itself or those employees, if any, employed by the COMPANY.

2. SERVICES:

COMPANY shall provide such professional services as are described in Attachment 1 (Scope of Services).

3. INDEMNIFICATIONS AND INSURANCE:

COMPANY hereby agrees to release, indemnify and save harmless CITY, its officers and employees from any and all claims, damages, suits, costs, expense, liability, actions or proceedings of any kind or nature whatsoever, including Workers' Compensation claims (but only to the extent brought by employees of COMPANY against CITY), of or by anyone whomsoever, in any way resulting from or arising out of, directly or indirectly, its negligent performance and/or any and all intentional, willful or wanton performance or acts hereunder, and including such acts and omissions of officers, employees and agents of COMPANY, arising out of the performance of this contract.

The insurance requirements prescribed herein shall not be deemed to in any way limit or define the obligations of COMPANY hereunder. The indemnification provisions prescribed herein shall not be deemed to in any way limit or define the COMPANY'S obligation to provide insurance as required herein or limit or define the CITY'S rights as "additional insured" under the required policy or policies.

COMPANY shall attach certificates of insurance for such policy or policies to this Agreement at the time of signing. The City of Warren Law Director shall review and approve insurance before COMPANY is authorized to commence work under this Agreement. The CITY reserves the right to refuse, prior to the commencement date of services under this Agreement, insurance written by an unacceptable company. The amounts of insurance required are as follows:

A. Professional Liability Insurance

COMPANY shall procure and maintain professional liability insurance for protection of claims arising solely out of performance of professional services caused by negligent acts, errors or omissions for which COMPANY is legally liable; such professional liability insurance will provide for coverage in the amount of two million dollars (\$2,000,000.00).

Such reduction may render the COMPANY in breach of contract.

F. City as Additional Insured

COMPANY shall cause the CITY to be named as an additional insured in each of its insurance policies for general comprehensive, automobile liability and professional liability insurance. An "additional insured" shall mean, for the purpose of this Agreement, that the CITY, its officers, agents and employees shall be covered under the policies carried by the COMPANY for general comprehensive, automobile liability and professional liability, in the event that the CITY, its officers, agents or employees are enjoined as a party defendant in a suit or claim in which the COMPANY is allegedly jointly liable. 6. CONFLICT:

COMPANY covenants that COMPANY has no interest and shall acquire no interest, which would conflict with the performance of services under this Agreement.

7. ASSIGNMENT:

Neither CITY nor COMPANY may assign this Agreement without the written approval of the other, and any attempted assignment without such consent shall be null and void.

Notwithstanding the above, COMPANY may assign or subcontract this Agreement, or any or all of the services required by this Agreement, to any of its subsidiaries or affiliates, which are wholly-owned, operated or controlled by COMPANY.

8. DISCRIMINATION:

COMPANY shall comply with federal, state and local laws, which prohibit discrimination.

9. PERFORMANCE SECURITY:

- A. Amount and Form: COMPANY shall provide to the CITY a performance bond in the total amount of Ten Thousand Dollars (\$10,000.00), to guarantee that COMPANY will faithfully perform under the Agreement and complete the Agreement according to its terms and specifications.
- B. Exercise of Rights: CITY's exercise of its rights under the above-described performance security bond shall be solely conditioned upon CITY's declaration of a Default under this Agreement (as defined below), written notice thereof by CITY to COMPANY, the COMPANY's failure to cure as provided herein, and the early termination of this Agreement by CITY.

10. DEFAULT:

- A. Default Defined: Conditions and circumstances, which shall constitute a Default by the COMPANY, unless waived by CITY, shall include the following:
 - 1. Failure of COMPANY to operate the ambulance service system in a manner which enables COMPANY to remain in substantial compliance with the requirements of applicable federal, state or local laws, rules and regulations;
 - 2. Chronic failure to maintain equipment and facilities in accordance with manufacturer recommended maintenance procedures (or reasonably

equivalent maintenance procedures adopted by the COMPANY);

B. Default: Cure Period and Forfeiture of Performance Security: If CITY declares the COMPANY to be in Default, CITY shall give COMPANY written notice describing with reasonable specificity the nature of the Default. Within ten (10) days of its receipt of such notice, the COMPANY shall deliver to CITY a written plan to cure such Default. The COMPANY shall deliver to CITY an update of its efforts to cure the Default every ten (10) calendar days until such default is completely cured. If COMPANY fails to cure such noticed default within thirty (30) calendar days (or such longer period of time as is approved by CITY) after its receipt of notice of default, CITY may immediately terminate this Agreement

and draw on the performance security as provided in Section 9A hereof, pursuant to the terms and conditions of this Agreement. If this Contract is so terminated by CITY, the COMPANY shall cooperate completely and immediately with CITY to effect a prompt and orderly transfer of all responsibilities to CITY or its designated contractor.

11. FINANCIAL INTEGRITY:

COMPANY insures that it is not in arrears to the CITY upon any debt or contract, and the COMPANY is financially sound, being neither insolvent nor bankrupt.

12. ENTIRE AGREEMENT:

This Agreement, along with the Attachments hereto, supersedes and terminates any prior agreement between the parties and constitutes the entire agreement between the parties. No statement, promise, condition, understanding or representation, oral or written, expressed or implied, which is not contained herein, shall be binding or valid. Any amendments to this Agreement shall be effective only if in writing and signed by both parties. In the event of any inconsistency between the terms of this Agreement and any Attachment hereto, the terms of this Agreement shall govern.

13. SEVERABILITY:

If any portion or portions of this Agreement shall be for any reason invalid or unenforceable, the remaining portion(s) shall be valid and enforceable and carried into effect unless to do so would clearly violate the present legal and valid intention of the parties hereto.

14. FORCE MAJEURE:

COMPANY shall be excused for failures and delays in performance of its respective obligations under this Agreement due to any cause beyond the control and without the fault of COMPANY, including without limitation, any act of God, war, riot or insurrection, law or regulation, strike, flood, fire, explosion or inability due to any of the aforementioned causes to

obtain labor, materials or facilities. Nevertheless, COMPANY shall use its best efforts to avoid or remove such causes and to continue performance whenever such causes are removed, and shall notify the CITY of the problem.

15. NOTICES:

Any notice required or permitted to be given pursuant to any provisions of this Agreement shall be given in writing, and deposited in the United States mail, postage pre-paid, registered or certified mail, return receipt requested, or by a nationally recognized overnight courier service.

16. TERM:

The term of this Agreement shall be retroactive from the 1st day of November, 2016, until the 31st day of October 2017. This Agreement may be renewed for a specified term, by mutual agreement of the parties. Notwithstanding the foregoing, if any legislation, regulation or government policy is passed or adopted, or if these laws, regulations or policies are interpreted in a manner that would materially affect COMPANY's business or the implementation of this Agreement as written, the COMPANY shall provide notice of such law, regulation or policy to CITY and the parties agree to negotiate in good faith within thirty days to modify the terms of this Agreement to comply with the applicable law, regulation or policy. If the parties cannot agree upon the necessary modification, either party may terminate this Agreement on thirty days advance written notice.

Within ten (10) days of its receipt of such notice, the COMPANY shall deliver to CITY a written plan to cure such Default. No statement, promise, condition, understanding or representation, oral or written, expressed or implied, which is not contained herein, shall be binding or valid. Any amendments to this Agreement shall be effective only if in writing and signed by both parties. In the event of any inconsistency between the terms of this Agreement and any Attachment hereto, the terms of this Agreement shall govern.

13. SEVERABILITY:

If any portion or portions of this Agreement shall be for any reason invalid or unenforceable, the remaining portion(s) shall be valid and enforceable and carried into effect unless to do so would clearly violate the present legal and valid intention of the parties hereto.

obtain labor, materials or facilities. Nevertheless, COMPANY shall use its best efforts to avoid or remove such causes and to continue performance whenever such causes are removed, and shall notify the CITY of the problem.

15. NOTICES:

Any notice required or permitted to be given pursuant to any provisions of this Agreement shall be given in writing, and deposited in the United States mail, postage pre-paid, registered or certified mail, return receipt requested, or by a nationally recognized overnight courier service.

16. TERM:

The term of this Agreement shall be retroactive from the 1st day of **September, 2018** until the 31st day of **August, 2020**. This Agreement may be renewed for a specified term, by mutual agreement of the parties.
